Our New Director

We welcomed Library Director, Veronica Laroche to our team in January. Her journey with libraries has been a long, fun one. From Whitehall, PA, her mother took her and her older brother to the library every week as children. While getting her Masters from the University of Illinois, she was a Children's Librarian turned Library Director at the Coplay Public Library just across the river.

Now you can find her in her office at NAPL working on grants and other things. When she's not working on paperwork, she's preparing programming for adults. Stop by and say hello when you visit and be sure to offer your suggestions! She'd **love** to hear them.

To stay up-to-date on the latest information about the Library, visit our website at www.northamptonapl.org or follow us on Facebook!
